VENOM 39

CRAFTED BY PASSION. PERFECTED BY EXPERIENCE.

ABOUT RIBCO

Founded in 1994 by Stelios Ladopoulos and Nikiforos Valerianos, Ribco was built on a shared passion for the sea and a relentless pursuit of perfection. Their vision: to create the world's finest RIBs, defined by uncompromising quality, exceptional seaworthiness, and truly robust construction. Over the years, this vision has evolved into a legacy. More than 800 boats have been crafted, each carrying the distinctive Ribco DNA — performance, reliability, and timeless design.

Today, Ribco vessels navigate waters worldwide — from Greece to the USA, Australia, Monaco, and beyond — representing a brand synonymous with trust, excellence, and enduring value.

VENOM 39

WHERE PERFORMANCE MEETS PERFECTION

She is inspired by Venom 44, our flagship, in sea keeping ability, luxury, and interior design. The hull has two steps and combines the great offshore abilities with excellent efficiency and speed. For the first time, a RIBCO model is equipped with a U shape bench resulting in great space for its owners. At the same time, Venom 39 is equipped with a bow cabin, a big WC, a solar panel for charging the service batteries, a sink and a fridge!

Last but not least, as in all Venom models, you will find as standard on board a T-Top made 100% from carbon fiber. It's a real piece of art that we are very proud of. Compare to a stainless steel its more rigid, it reduces the weight more than 100 kg and also reduces the center of gravity of the boat.

ADVANCED COMPOSITES

The full carbon-fiber T-Top is lighter, stronger, and a true statement of innovation — where advanced engineering meets elegant design.

STANDARD ON BOARD

NAVIGATION, INSTRUMENTS AND MUSIC

- GPS Raymarine 16" , touch screen with map and sounder
- VHF Raymarine
- Digital switching
- FUSION Marine Audio & 4 x sprakers

DECK AND COPCKIT

- Carbon T-Top with fixed windscreen and wiper
- 2 Bolster seats with hydraulic absorber
- 3 people seating bench
- Wet bar, including fridge, sink
- Wash down system, saltwater/ freshwater
- Sleeping ability for 2 in front compartment
- Marine WC with holding tank and sink

ELECTRIC EQUIPMENT

- Led exterior & interior lighting
- Underwater lights
- Shore power and battery charger

UPHOLSTERY

- Carbon dash panel
- Foam floor deck
- Sun tent bimini fitted on T-Top

COVERS

- Boat cover (winter)
- Console cover

ADVANCED STEPPED HULL

The twin-step hull design ensures a smooth, stable ride while maximizing efficiency. Reduced drag, improved lift, and precise handling come together to deliver confident performance in all conditions.

HIDDEN COMFORT

Every detail is designed around effortless living on board — from the bow cabin to the wet bar, the spacious WC, and seamless digital systems. Comfort comes naturally.

VENOM 39

CONSTRUCTION

- Composite construction
- Premium isophthalic gel coat
- Premium isophthalic resin
- Premium Orca 1670dtx tube fabric
- Solid fiberglass composite hull
- Through bolted 316 stainless steel hardware
- 2 fuel tanks in enclosed chambers

CUSTOMIZATION OPTIONS

- Teak deck (instead of foam deck)
- Solar panel for charging service battery
- Teak deck (instead of foam deck)
- Solar panel for charging service battery
- Side curtains for protection on heavy weather
- Upgrade audio system (Sub / Amp)
- Mercury vessel view 7"
- Front V hatch teak deck
- RADAR Raymarine
- Night vision camera
- Ski pole
- Deck side ladder
- Bow thruster
- Inverter and espresso coffee machine
- Stern anchor windlass

PROPULSION

- Min 2X 250 Hp
- Max 2X 500 Hp

VENOM 39

DIMENSIONS

- Length (LOA) 11.50 m
- Beam (BOA) 3.30 m
- Maximum draft fully loaded 0.60 m
- Displacement fully loaded 3.900 kg

GENERAL

- Exclusive 2 step hull, designed for optimal performance by Lorne Campbell
- Non slip foam deck
- Ribco handmade tubes
- Through-bow anchor roller with stainless steel guard
- Bow eye
- 2X bow cleats, 2X stern cleats

SAFETY

- Basic flotation for “Unsinkable” design principal
- Ability to travel at full speed with all air chambers deflated
- Self drained deck
- Watertight cockpit
